India, March 17 -- Sankhya Infotech has entered into partnership with Telecom Sector Skill Council (TSSC), an apex body to impart skilled human resources to the telecom industry, to provide online and digital training to telecom professional across India. As the digital content partner for TSSC, the company would offer various TSSC courses on an online e-market place giving trainees experiential training in learning telecom technology.

Sankhya Infotech is a leading provider of simulation and training solutions. The company provides targeted training solutions and consultancy services to meet the organizational objectives and business needs....
