PARTNERS

## CENTER OF EXCELLENCE

Under its Network of Excellence Initiative, TSSC builds capacity through Centres of Excellence that provides top of the line lab and equipment for skilling in emergent technologies and innovative training.

## CORPORATE SOCIAL RESPONSIBILITY

TSSC actively engages with public and private organizations for CSR projects under the thematic areas of Skill Development & Livelihood Enhancement. We have executed projects with SBI Card, Ericsson, Nokia, Vodafone Idea and more.

## TELCOJOBS.IN | PLACEMENT SUPPORT

Placements and staffing for skilled youth in India is the ultimate achievement, depleting the demand-supply gap in industries. We have multiple strong avenues to source manpower for Industries in India and propagate staffing initiatives

## DIGITAL SKILLING | TELCOLEARNING.COM

TelcoLearning.com is an eLearning platform by TSSC with the vision to make skill development more innovative, accessible, and personalized in its embodiment, focusing on digital technology and Industry 4.0 skills essential in today's rapidly evolving digital landscape.

## APPRENTICESHIP

Placements and staffing for skilled youth in India is the ultimate achievement, depleting the demand-supply gap in industries. We have multiple strong avenues to source manpower for Industries in India and propagate staffing initiatives

## INTERNATIONAL PROJECTS

India possesses a substantial pool of skilled individuals adept in various trades, presenting immense potential as a source for overseas employment and a possible 'Global Talent Hub,' aligned with our Prime Minister's vision for the nation. TSSC focuses on overseas placements, exchanging best practices, knowledge sharing and global partnerships.
